THE HEATING & ENERGIZING AMERICA TRADE SHOW
AUGUST 20-22
ENCORE BOSTON HARBOR HOTEL, EVERETT, MA

THE HEAT SHOW RETURNS TO BOSTON FOR 2025

Join NEFI, heating fuel industry leaders, biofuel pioneers, and home comfort professionals as we seek to shape the future of the American energy economy, boldly confront immediate and long-term challenges, and seize exciting new opportunities.

Throughout the Show, we will be holding important sessions.

This is your chance to help us chart a path forward, as the country looks for options to increase consumer choice on home heating, lower energy costs, and promote energy independence.
